The Daylight Store

BANGING AWAY HARD.

When you see a merchant banging away hard at any one thing, just make up your mind that he is either stuck or is advertising a big seller. In this ad we are both. White Goods we have too many. Hence the following prices. Corsets are a big end of our business. We believe these to be a little the best that you can wear. Wash Goods have dropped in price so much that some question their quality.

WHITE GOODS

And the prices that we are making to reduce them.
10 pieces of 12 1/2c India Linon, very even threaded and will wash firm and soft, now at only 10c per yard.
10 pieces of 15c India Linon. This is our best seller and at the price 12 1/2c, is worth a look.
15 pieces of 45-inch Persian Lawn, very fine and soft, in fact, the best selling plain white goods made. Now at 25c per yard. (See the width.)
20c Dotted Dimities in assorted dots, now at 15c per yard.
White Waists in small figures, a 38c cloth, now at 25c per yard.

CORSETS

Warm weather forces the sale of Corsets. They sell and new ones are needed. It's a time of year that lots of 50c Corsets are sold and we have the kind that has that easy shape and wear.
Corsets at 50c in network, corded girdles, tape girdles, medium length French shapes and that long back so much spoken about.
There is no doubt but what the R and G 661 and 671 Corsets at \$1.00 are the best at that price on the market, the 661 for short and the 671 for stout ladies.
451 is practically the same Corset, made by the Royal Worcester Corset Co., and has extra fullness over the hips.
The above Corsets are all of them built on a lengthening waist form.

WASH GOODS

Wash Goods have dropped in price in the last few weeks that you will almost question their quality.
Good Apron Gingham at 5c per yard.
Thin Colored Figured Wash Goods that earlier sold for 18c, now at 12 1/2c and a very few 25c goods, half silk at same price, 12 1/2c.
These prices affect all plain white cotton goods, so that 14c Bleached Cotton is selling again at 10c. Wide Cottons are back to old prices.
We have too many Bleached Sheets. These, in best grades, will be sold at less than same goods by the yard. We have a special 14-inch full length Sheet at 45c each. (Great values.)

Ask to see those 15c, 20c and 25c Ladies' Fast Black Hose slightly imperfect at but 10c per pair.

A material that has gone through "The Cravenette Process" will shed water. "Priestley's Cravenette" is the standard of water proofing. You can always distinguish a Priestly material from the inferior grades by the Priestly Trade Mark which is always stamped on back of the goods and on the label of the garment.
